PRESIDENT:    Senator Moore.

SENATOR MOORE:    I move we adopt the E & R amendments to LB 962.

PRESIDENT:    You've heard the motion.    All in favor say aye.  
Opposed nay.    They are adopted.

CLERK:    Mr. President, Senator Baack would move to amend the  
bill.    (Baack amendment is on page 891 of the Journal.)

PRESIDENT:    Senator Baack, please.

SENATOR BAACK:    Yes, Mr. President, members.    This is a very,  
purely technical amendment.    It changes the word "with".    On  
page 2, line 9 it changes the word "with" to "by".    Very  
technical.    All it does is it says that because with the word  
"with" in there it assumes that the state would have to be  
involved with any kind of commission that the county or city  
would form, the Capital Environs Commission.    With the word "by"  
in there it says that we may be involved, but we do not have to  
be involved in the formation of the commission.    But that change  
was needed for the bill.    Thank you.

PRESIDENT:    Thank you.    Any further discussion?    If not, the  
question is the adoption of the Baack amendment.    All those in  
favor vote aye, opposed nay.    Record, Mr. Clerk, please.
